

found beautiful wind months friends
thousand friend victor
death power returned forever miserable
looked sister mined soul pleasure appearance hope
tears journey beauty left day mind
love feelings dear feel human kindness country
return poor sensations lay food manner house native
spirits gentle discovered rest joy length voice
world grief idea sea girl morning hours
cold science air letter dark tale countenance child fear
entered family passed remained fellow night desire spirit
time sun happiness heard lost continued hands
change brought nature justine felix light countenance
fiend feeling misery existence horror arrived
earth strange words clerval scene
mountains lake despair cottage peace
life happy possessed heart
